## **MESH IS A MESS**

Investigators discovered that these “distinct points and “valleys” on the plates are actually clever marketing terms for *holes*. They also discovered that maximum alkalization of water is achieved by running the water slowly, over the largest possible negatively and positively charged surface area.

This warranty only covers failure of the product. This warranty does not cover misuse, abuse, neglect, mishandling, improper installation, adjustments, maladjustment or power line surge, improper use, or use at an unauthorized repair facility. See limitations and exclusions disclosed below (at Life Ionizers.com).

**Limits and Exclusions:**  
There are no express warranties except as listed above. From the date of purchase the warrantor is not responsible for incidental or consequential damage; for damages arising out of the use of any unauthorized attachment; for damages resulting from the use of the product with a defective water faucet and/or water that is judged by local authorities as "hard" (TDS above 18 grains); nor for units that are used for normal residential applications exceeding up to 2.5 gallons per day. All expressed and implied warranties, including warranties of merchantability and fitness for particular purpose, are limited to the applicable warranty period. All machines that are used for high volume applications such as weight loss/fitness centers etc will void the above warranty. The warranty is voided if parts used are not provided by Life Ionizers. Company products are sold subject only to the applicable company standard printed warranty in effect at the time of sale and such warranty shall be in lieu of all other warranties expressed or implied. In addition, this equipment, technology and products have not been evaluated by the FDA, nor are they intended to treat, cure, mitigate, diagnose or prevent any illness or disease.

**Repairs and Fees:**  
If repair is needed within the first 30 days of receiving the ionizer, Life Ionizers shall pay for transportation. However, if after the first 30 days shipping will be paid by the Distributor and/or their Customer. Repair and/or replacement will be at the final discretion of Life Ionizers.
